

Name	Award	Details	How to Apply
Charles R. Krusell Fellowship	full tuition support and graduate research assistantships with community development or planning agencies	Fellowship is designed to increase the supply of highly trained community development professionals from indigenous communities and communities of color, to improve the representation of communities of color in agencies that serve those communities, and provide hands-on work experience to ensure students are prepared to meet the challenges in this ever-evolving field. Students interested in this opportunity will need to apply and submit additional information.	Applicants admitted to the following Humphrey School degree programs may be considered for nomination: MPP and MURP. Submit separate application form and 2 page essay by January 15th
